

TVS-150RH-IP

Outdoor True Day/Night IP 36x Speed Dome

Features

- True Night vision 150 Meter
- Adopt 1/2.8' SONY CMOS, DSP: HI3518 18X/36X optical zoom Scan 2.1 megapixel
- Support ONVIF 2.0, 3A image effective; IR-CUT dual filter switch, day& night auto switch
- Compatible with the flexibility and auto running setup of high speed dome camera
- Adopt advanced stepper motor, less heating and no shaking in low speed
- RTC function, call any functions at any time; Auto running memory against power outage
- Compass function, display direction ;Build in double devices for lightning proof and surge proof
- 1pc superpower LED IR light + 6pcs LED Array IR lights, night vision distance up to 150 meters.

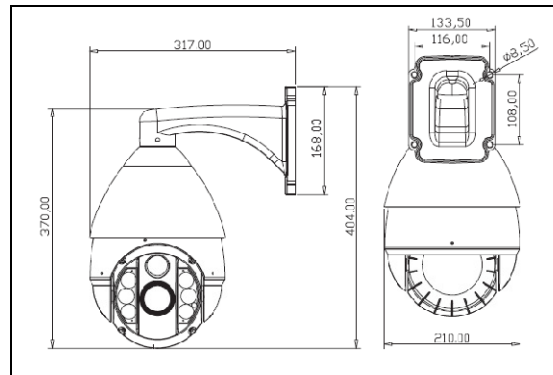

Camera Specification

Model	1080P HD IP LED-Array IR High Speed Dome Camera 150RH-IP
Image Sensor	Scan 2.1 megapixel CMOS line by line
Resolution	1920X1080
SOC	SONY CMOS, DSP: HI3518
Video Frame Rate	PAL(25fps)/NTCS(30fps)
Image Sensor	SONY
Stream	Optional, <5M bps (1080p) achieve better effect
Codec Format	ITU1120/709/656, use HDMI connects LCD in better effect
Min. Illumination	0.01Lux (B&W) /1Lux(Color)
White Balance	Auto W/B, AWB/ATW(2500°K-9500°K)
Support Platform Connect	ONVIF2.0.2; private platform; support HUAWEI, LIWEI and MegaEyes communication.
Multi-port	LAN 80 port, WAN WEB support above 1024 port HTTP, support dynamic DNS
WAN	QCIF; dynamic DNS: UPNP; support P2P, auto recover when net off
IR Distance	150 meters
Day & Night	IR-CUT dual filter switch, day& night auto switch;

Video Output	RJ45 10M/100M adaptive Ethernet port
Power Supply	DC12V/5A
Protection	IP66, TVS3000V lightning/ surge protection
Work Temperature	-10°C+40°C
Work Humidity	<90%
Power	≤51W
Pan/tilt Range	Pan: 360° Tilt: 180°
Pan/tilt Speed	Pan: 0.5°~220°/ sec Tilt: 0.5°~110°/ sec
Preset	128 max . call preset speed: 200°/sec
PTZ Function	The deepest proportional speed adjustable; memory against power off; auto scan; click centered; check box zooming.
Pan Scan	1 zone scan, 360° continuous scan, 360° intermittent scan
Frame Scan	4
Cruise	4, 27presets/cruise
OSD	English
Tour	1
Zone	set 8 zones, support zone scan
RTC	set any functions at any time
Focus Mode	Manual/Auto
Exposure Mode	Auto Exposure/Auto White Balance/Auto Gain

Ordering Information

TVS-150R	36X IR Outdoor AHD High Speed Dome 960P
TVS-150RH	36X IR Outdoor AHD High Speed Dome 1080P
TVS-150RH-IP	36X IR Outdoor IP High Speed Dome 1080P
